Dear Mr. Kesavaiengar,

Some years ago we received from the Government of India, I think in connection with discussions between the Chamber of Princes and the Government of India, a note of several pages concerned with questions of precedence of the members of Princely Houses, of the titles to be given them, and similar matters. Though I have a distinct recollection of the file, I cannot persuade my office to trace it. And I think it possible that questions will arise during the ensuing Viceregal visit to decide which it will be necessary to refer to the file. I shall be very grateful if you can kindly have it traced in your office.

I am sorry that I am so vague about its date.

Yours sincerely,

BNR.
